Terra Firma,
Doddaballapura
(North Bengaluru)

- **South:** Gollahalli,
Bannerghatta Road

- **West:** Harohalli
Industrial Area

- **East:** Malur Industrial
Area

Daily dump

Bengaluru generates

4,500 tonnes of waste per day.

Of this, 1,000 tonnes of waste is sent to the seven plants located at Seegehalli, Doddabidarakallu, Kannahalli, Lingadheeranahalli, Subbarayanapalya, Kudlu and Chikkanagamangala.

The rest goes to landfill sites on the outskirts.
